

contemporary psychology
in the perspective of
four knowledge types
and
four knowledge realms

Behaviourism - 1

Figure 1.
Positivism 1: Original Behaviourism

Behaviourism - 2

Social Constructionism

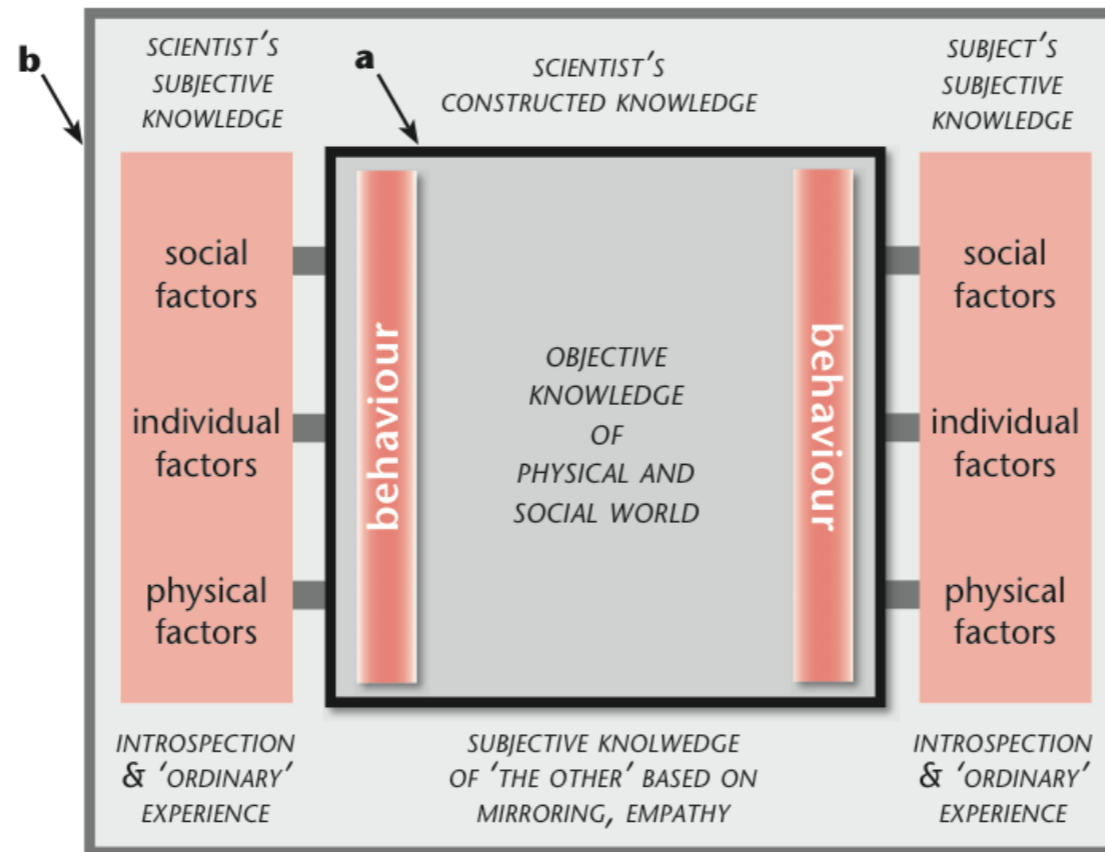

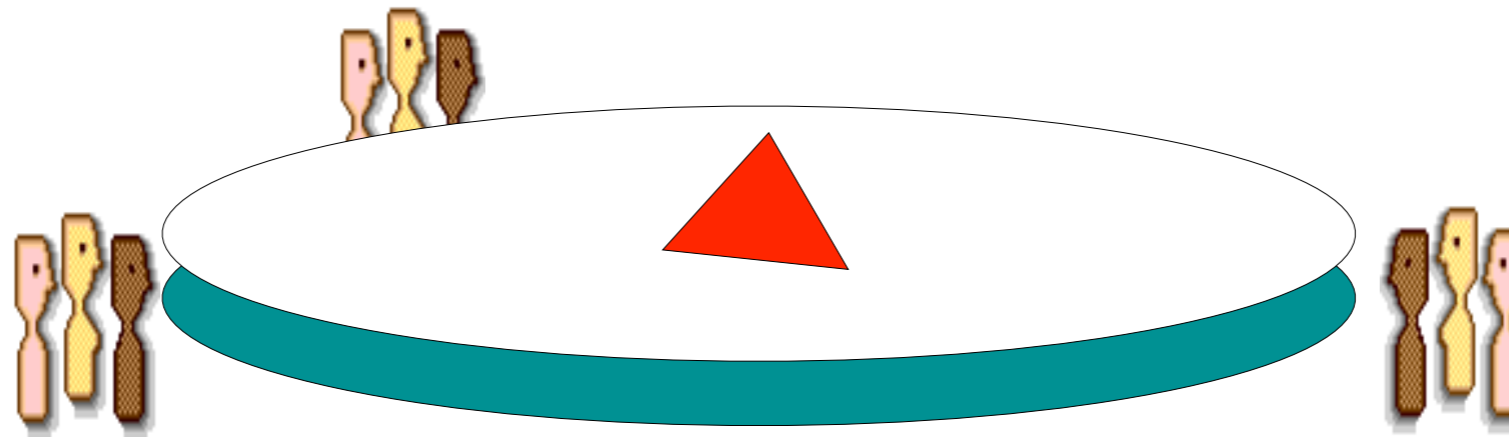

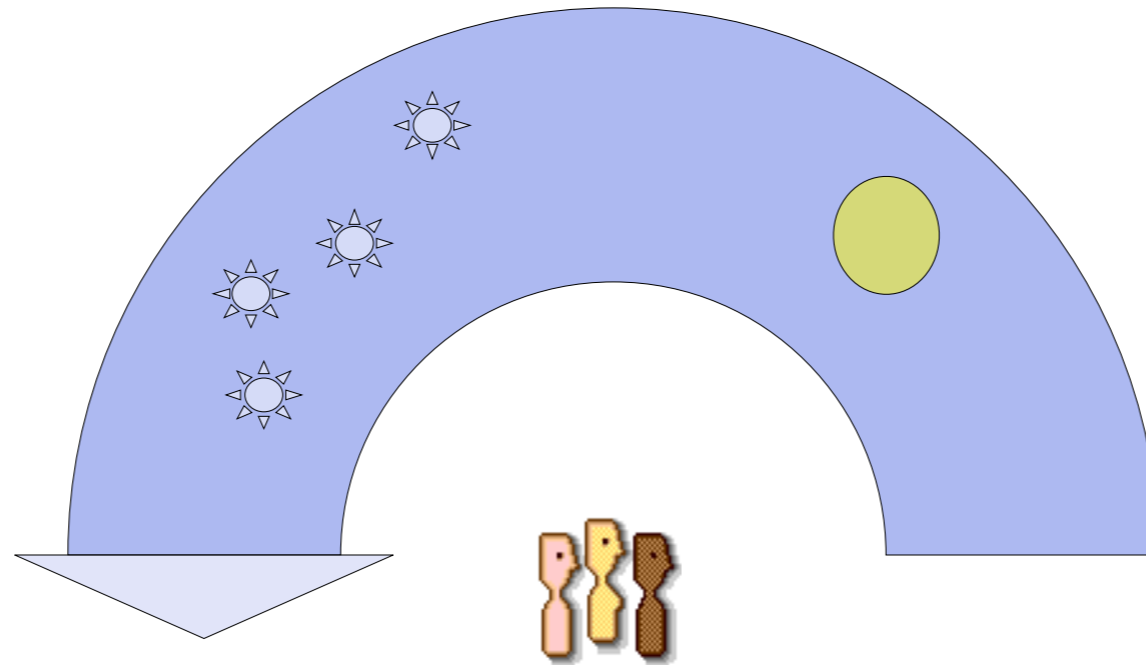

Figure 3.
Constructionism

Constructionism - 2

Social Constructionism is aware that there are many viewpoints,
but they all belong to the same plane:
It is still a Flatlanders' world.

Constructionism - 3

Mainstream Psychology inhabits a Ptolemaic universe: everything turns around the Ordinary Waking Consciousness.

Psychoanalysis

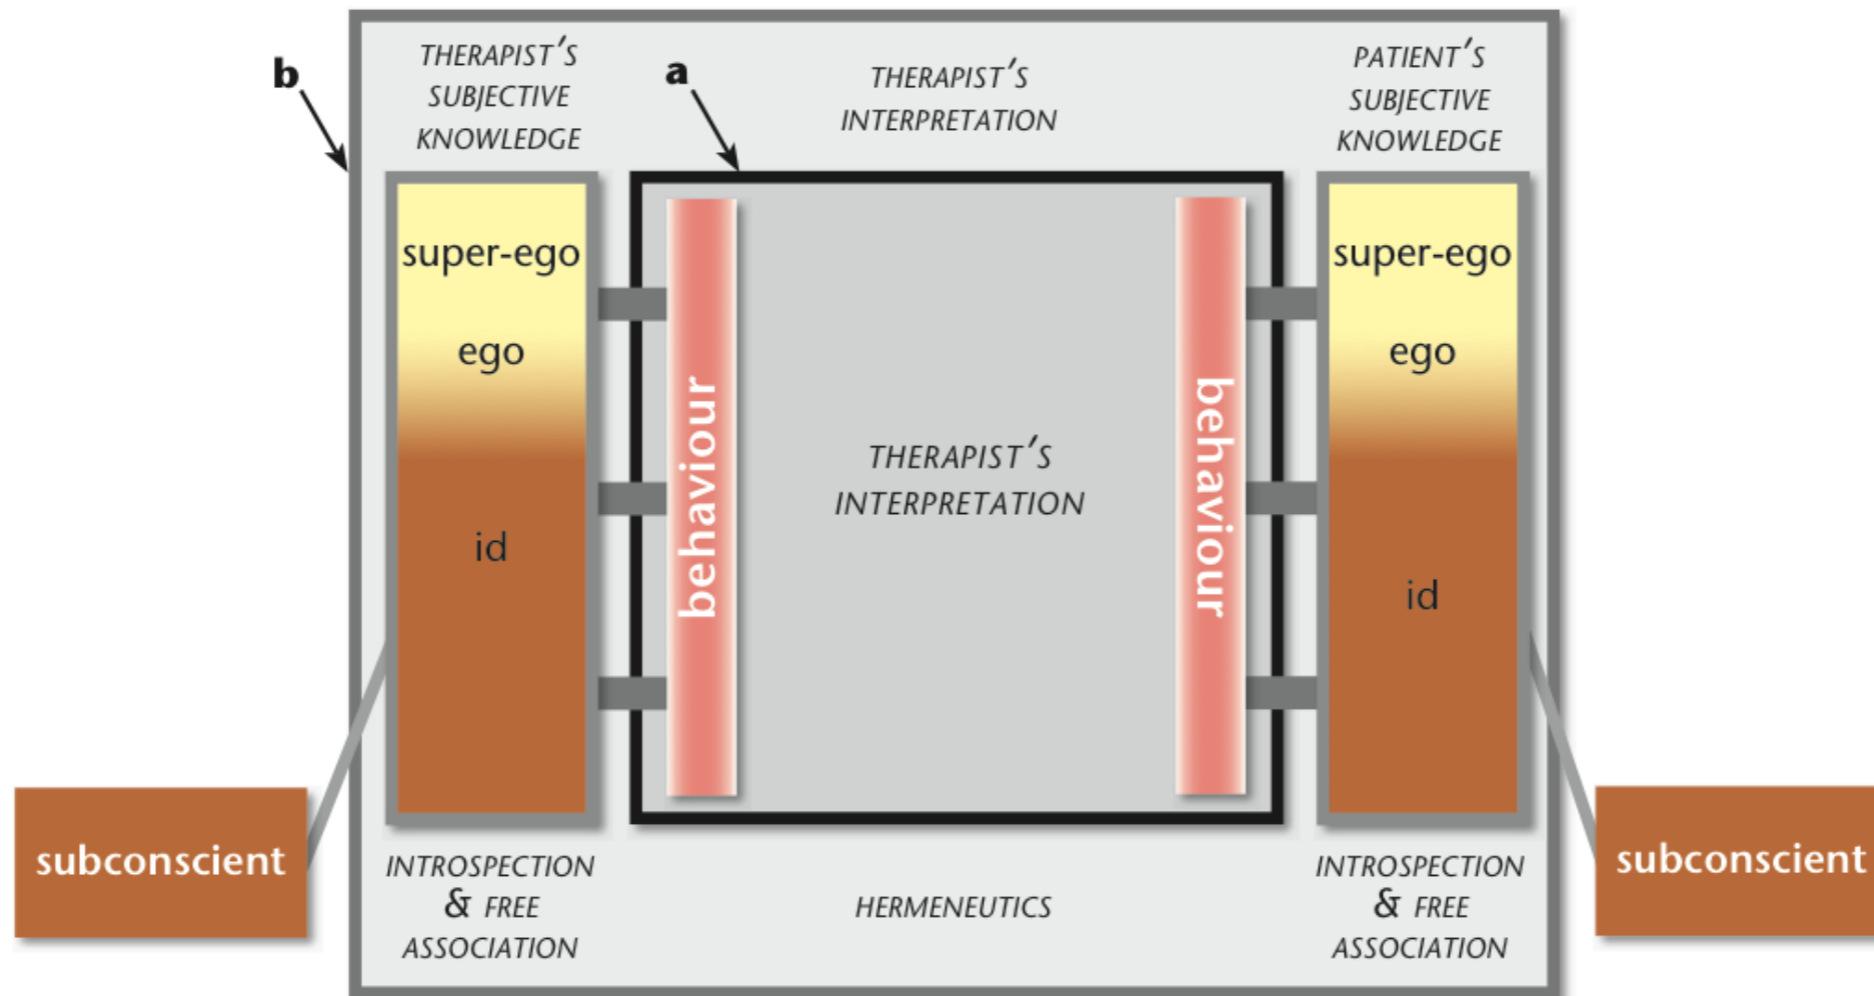

Figure 4.
Psychoanalysis
